

MARION NATURAL HISTORY SOCIETY MEMBERSHIP

The Marion Natural History Society is a 501-C-3 non-profit organization, dependent upon the goodwill and donations of its members for its financial survival. We need your help to continue our growth and expansion of programs. Now more than ever, we need to educate the younger generations as well as our own about our natural world and the environmental threats we face.

Please also consider a generous gift to enable the Marion Natural History Museum to keep our important community activities afloat, to empower us to expand them, and to be at the forefront of children’s science activity, and relevant, timely adult programs.

We thank you for your Tax Deductible Donation
